January 2026

Thank you everyone for another great year at Meriday! Thank you for all of the baby items donated for the birthday party for Jesus, the children had a great time listening to the story and unwrapping presents, oh and let's not forget cupcakes! We are so grateful for our new and improved infant and crawler rooms! Thank you everyone for your patience during this project. Still finishing some small projects but we are on our way to being complete. Welcome to 2026!

Statements will go out soon to the classrooms. Please let the office know if you did not receive one. Our tax ID # is included on the statement;
